RESOURCES

MOVING YOUR BUSINESS IN THE RIGHT DIRECTION.

OUR GOAL IS TO HELP YOU OPERATE MORE EFFICIENTLY AND PROFITABLY. WE VALUE OUR REPUTATION OF DELIVERING ON COMMITMENTS. WITH CVG STRATEGY AS A CORPORATE PARTNER, YOU HAVE ACCESS TO RESOURCES THAT WILL HELP YOUR COMPANY ACHIEVE VISIBLE SUSTAINED GROWTH.

WE ARE CONSULTANTS WITH A MORAL COMMITMENT TO HELP OUR CLIENTS BE SUCCESSFUL.

SUBJECT MATTER EXPERTS

When you need to augment your staff, we can help.

The best performers, with the best tools, achieve the best results. When you have a CVG Strategy consultant participating in your project, the confidence instilled results in better executed programs. We can relieve the load on your direct producers so that they continue to be productive in your daily business.

MIL-SPEC TEST PLANS & PRODUCT TESTING

After working in the Defense Industry for many years in operational and leadership capabilities, CVG Strategy's military subject matter experts know what it takes to be successful and how to solve the problems you are currently facing. Environmental Test Plans can be complicated. CVG Strategy has developed a process to assess our client's needs, establish a Life Cycle Profile, and generate the Detailed Environmental Test Plans that will ensure your product is tested comprehensively.

ISO 9001 & AS9100 QUALITY

Our consultants are trained in the Body of Knowledge for the American Society for Quality (ASQ) Certified Quality Auditor (CQA) and the criteria for the RABQSA-Certified ISO 9001:2008 Internal Quality Auditors Training.

ITAR & EAR EXPORT COMPLIANCE

More than ever before, companies today need to comply with all of the U.S. export regulations. Compliance with the International Traffic in Arms Regulations (ITAR) is both necessary and worthwhile. We can help establish and maintain ITAR compliance with U.S export laws.

BUSINESS DEVELOPMENT

Our sales professionals can add value in outsourced business development and marketing.

GSA CONSULTANT

Our specialists can help you navigate the registration process to get your own Government Services Administration (GSA) Schedule Contract.

SERVICES

MIL-SPEC TEST PLANS & PRODUCT TESTING

OUR EXPERIENCE INCLUDES:

✓ **MIL-STD-810G**

DOD Environmental Testing

This standard is applied to military product environmental design and test limits to the conditions that it will experience throughout its service life, and establishing chamber test methods that replicate the effects of the environment.

✓ **RTCA DO-160G**

Airborne Equipment Environmental Testing

Specifies standard environmental test conditions (categories) and corresponding test procedures for airborne products used to ensure an adequate degree of confidence in performance during use aboard an air vehicle.

✓ **TEST LAB SUPPORT**

Product Environmental Testing

We provide onsite test lab coordination and test management with relationships at many Eastern U.S. A2LA Certified Test Laboratories.

✓ **PRODUCT PERFORMANCE ISSUE MITIGATION**

Coatings and Protection Systems Reliability

We have experience with gaskets, glue and pre-treatment standards integral to successful product performance. Our experts are very familiar with MIL-SPEC coating systems including CARC, polyurethane, aircraft, shipboard, and powder coat technologies.

ITAR & EAR EXPORT COMPLIANCE

- Customized compliance programs
- Policy and procedure manuals based on BIS & DDTC guidelines
- Filing with DDTC
- Training
- Program implementation
- Product classification and categorization
- Protect customer technical data
- Mitigate risk for non-compliance
- Ongoing subject matter support
- Assessments and audits
- Program includes review by our Legal Partner, Arcadier & Associates

QUALITY- ISO 9001 & AS9100

Good quality yields customer loyalty. Having a Quality Management System (QMS) can help increase overall product satisfaction while reducing manufacturing costs. Our experts can customize an ISO 9001:2008 or AS9100 quality program for your organization without overwhelming current operations.

- GAP Analysis
- Implementation Plan
- Training
- Documentation
- Pre-/Post-Audit
- Internal Auditing

**LET US HELP MOVE YOUR
BUSINESS IN THE RIGHT
DIRECTION.**
